

54.313(a)(6)

ETCs are required to certify that are able to function in emergency situations as set forth in §54.202(a)(2).

Company Response

Springport Telephone Company certifies that it is able to function in emergency situations as set forth in §54.202(a)(2).

54.313(h)

All incumbent local exchange carrier recipients of high-cost support that offer flat rates for residential local service that, when combined with certain state fees, are below the local urban rate floor are required to report lines and rates in effect for those rate plans as of January 1, 2011. **The urban rate floor for the 2012 filing is \$10 per month.** State fees are defined pursuant to §54.318(e) of this subpart and the local urban rate floor as defined in §54.318 of this subpart.

Company Response

No rate plans, including state fees, are below the urban rate floor.
